MONESSEN WILL PLAY RETURN ENGAGEMENT HERE ON SATURDAY

The Monessen Legion Baseball club will play a return engagement on the Charleroi grounds on Saturday afternoon at 2:30 o'clock. Monessen was here but recently, being defeated on their appearance by a score of 9-5. They will come "loaded for bear" on Saturday, resolved on revenge.

It is probable that the Charleroi battery will be Beatty and Tibbins. Tibbins was formerly of Hen Wilson's Valley Independents, and to our way of thinking is the best backstop Char "Matt" has trotted out to receive Beatty's offerings. He is also a good hitter, and it is said that he can also play well the outfield and the infield.

We are not informed who Manager Mathers will have at second base, but the rest of the infield will probably remain intact. It is probable that Anderson, Consonery, and Lou Phillips will cover the outfield for Charleroi. Anderson is a Monessen boy, who was signed for the remainder of the season by Manager Mathers. He has covered middle field for the home club almost uninterruptedly for the past two years.

It is possible that John J. McEllen will pitch against Charleroi. His

SAYLOR GETS DRAW VERDICT IN BOUT WITH DICK CONLON

The local ball park contained a large crowd last night to witness the boxing bout between Young Saylor and Dick Conlon. Saylor, a graduate of the H. T. A. C. of Charleroi, and Dick Conlon of Altoona, who has a draw to his credit with the redoubtable Cuddy DeMarco. At the conclusion of the mill the judges disagreed. It was 10 rounds of fast boxing, with Saylor making a most impressive showing, even though Conlon was the aggressor. Putting the result up to Referee Martin Deitz the official decided the bout a draw. Walter Dickerson of California was given the decision over Mike Fevorsik of Roscoe in the semi-final; Dave Davies of Roscoe and Judy Mascari of Charleroi went six rounds to a draw while Young Cosmo beat Frankie Arvigo in the fourth round opener.

DONORA IS TO

The Donora Athletic club will meet the strong C. M. C. of Homestead tomorrow afternoon at 4 o'clock at the Americo Ball park. A large crowd is expected to witness what promises to be a hard fought contest.

PRIDE.

Charleroi cannot be a first class progressive town without a modern fireproof hospital.

Charleroi is seriously handicapped by not having a modern hospital. Every day in every way the need for a new hospital grows greater and greater.

Charleroi spent enough money in hospitals in other cities to build a new hospital every two years. Let us put this money in our own hospital. If this new hospital is not built in Charleroi it will be built in some other city by the money that patients from Charleroi pay.

Charleroi cannot excel without this new hospital.

Faith in Charleroi has given you a home, income, friends, happiness, life, in fact, everything you prize most. That is true or you would be living somewhere else, wouldn't you? That is why you should help anything that will help Charleroi as much as this hospital.

Faith in Charleroi will pay you dividends.

Every successful business is the result of good advertising in one form or another. In the same way, bad advertising will always make a business fail. The successful business man of today carefully lays his plans to keep his business before the public.

The business of keeping this community healthy is as much Charleroi's business as selling shoes and meat.

Curing people who get sick or hurt is decidedly as much to the interest of business and community pride as anything else.

Charleroi's new hospital will not only make patients feel better, it will make every citizen feel better from a sense of pride if nothing more.

When you are using the hospital sometime it will make you feel better to know that you contributed something to help build the hospital that is perhaps restoring you to health. Contra-wise, would it not make you feel queer to be forced to use the hospital that you refused to help?

There is no pride like the pride of possession. To have it said that you subscribed liberally toward the hospital is to receive a medal of honor and a tribute of good will that can be secured in no other way.

A good citizen does all he can for his town. Anything that helps it, helps him; and anything that hurts the town, hurts him, no matter whether he is a lawyer, doctor, banker, businessman, stenographer or laborer. The moral of this reaches from every activity and every vocation to the very doors of our proposed hospital.

Charleroi is your town and ours. It is just what you and we make it. What you secure in money and what you get in pleasure and satisfaction living here, comes from pride in your home town and its institutions. Not to do your best for this new hospital is to fail to do your duty as a good citizen.

Who will profit most on the money you give this hospital building fund?

How much is the satisfaction worth that comes to you when you know that a friend or a loved one has had her life saved because the hospital you helped build was properly equipped and able to give the necessary service to bring about recovery?

Would it not be as satisfactory to know that even though you did not need to use the hospital you helped build, it was there as a guarantee to your health and happiness if you needed it?

Those who put money in this hospital building fund will profit most. If the profit does not come from using the investment itself, it will come by having made preparation as a guarantee of recovery in case of sickness or accident.

Think it over. It is up to you. This hospital will not build itself. The only way to get it is for every citizen to help. If you do not have enough pride and interest in your town, in your business, in your family and in yourself to give what you can in the next five years, you are working against your own best interest and your greatest happiness.

The question for you to decide is whether you are stronger for—

Dollars or Lives?

COMMUNITY ACTIVITY.

While there is at present a dearth of work for the laboring man, he is skilled mechanic or common laborer, the fact remains that the people of Charleroi and contiguous territory are busy; community activity is the remarked and commented upon.

Probably first and foremost to concern Charleroians and folk of the community is the putting over of the hospital drive. Rich and poor man are working side by side to secure the coveted goal. It must not fail.

Then there is the Chautauqua here this week. Leading business men, personages who are financially able, stepped to the front and are acting as guarantors for an amenity which is proving pleasurable and profitable to the people as a whole, inclusive of the young, the middle-aged, and even the old.

Then there are the Dollar Days coming next week, August 5 and 6, when the business men of Charleroi will have again promoted those money-saving opportunities in seasonable goods, for people of both sexes. These Dollar Day sales, aside from pecuniary importance, are of importance in that they bring together business man and customer into closer and more definite understandings and relationships.

Then we have the project of the reality which will be plotted and sold in lots to people for homes, that the present congested house conditions be relieved, if not altogether obviated, in the future.

Then there is the bazaar which was put on last night on the Coyle field in North Charleroi. This is a matter of public moment and public interest in which all can feel concern. In helping the firemen of the borough to the north of us, we will but more firmly cement the tie that should bind us together as one common people, actuated at all times in the "one for all, and the all for one" maxim.

The scorn youth has for the opinion of age is only equaled by the contempt with which age regards the opinions of youth.

However, Secretary Denby is not the first man to say he would be d-d if he would and then did.

The man who boasts the loudest that no woman will ever boss him, is the most nervous man in the poker game after midnight.

Maybe the second hand automobile business is poor but there always seems to be a market for used baby carriages.

Several Charleroi grown-ups are foregoing the pleasure of radio because they are too proud to ask the little boy next door how to fix up an outfit.

A man seldom hears the knock of opportunity if he pays too much attention to the knocks of his neighbors.

A fish caught near Greenland had 28,361,000 eggs inside. Go out and read this to your hens.

Edgar Allen and Wayne Lessig, Penn State students, of Parnassus, who have been hiking for the past week throughout the state of Ohio, stopped off at Charleroi yesterday, the guests of Mrs. S. W. Fellows of Fallowfield avenue. They started for their home this morning.

Mr. and Mrs. E. C. Robertson, daughter Jean and son Preston, of Fallowfield avenue, accompanied by Mrs. Robertson's sister, Mrs. Della Metz of Brownsville and Mr. and Mrs. Thomas Myers and daughters of McKean avenue left this morning by motor for a two weeks' trip to Niagara Falls, Buffalo, and various points of interest in Canada.

Mrs. E. H. Bradley has returned to her home in Fallowfield avenue, having spent an enjoyable three weeks' vacation with her parents, Mr. and Mrs. Ed. Winters of Marion, Ind., and with relatives and friends in Marion, Ohio. Howard W. Bradley, her son, is prolonging his visit for several days, and at the present time is hiking to various points of interest throughout that section of the country.

In Society's Realm

The local forces of the Holland Furnace Company are attending the Third Annual Holland Picnic at Kennywood Park today.

Mrs. Louis Celaschi was tendered a birthday surprise party in observance of her 39th birthday anniversary last evening at her home in 98 Prospect avenue. A large number of friends gathered at the Celaschi home about 38 in number, and spent a delightful evening in singing, dancing and games. A dainty luncheon was served at the close of the evening by Mary Celaschi, assisted by Mrs. Augusta Walters and Mrs. Fred Colinet. The honored guest received many beautiful gifts. In departing the guests wished Mrs. Celaschi many happy returns of her birthday.

The 18th birthday anniversary of Miss Elsie Edelman of Charleston, W. Va., who has been visiting here for some time, was appropriately celebrated last night at the home of her sister, Mrs. Herwood Spencer of Fallowfield avenue with a surprise party.

A program of games was enjoyed by all present and at 9 o'clock dainty refreshments were served by Mrs. Spencer assisted by Miss Cornelia Delany of Donora. Miss Elsie received many pretty gifts.

Last evening at the home of Mrs. William Stern, Sr., the members of the Merry Menders club held their regular weekly meeting. The time was pleasantly passed in sewing and social converse, after which a very fine luncheon was served by the hostess assisted by her daughter, Mrs. Dolan. The next meeting will be held at the home of Mrs. Albert Bertouille, of Conrad avenue, North Charleroi, Tuesday evening, August 5.

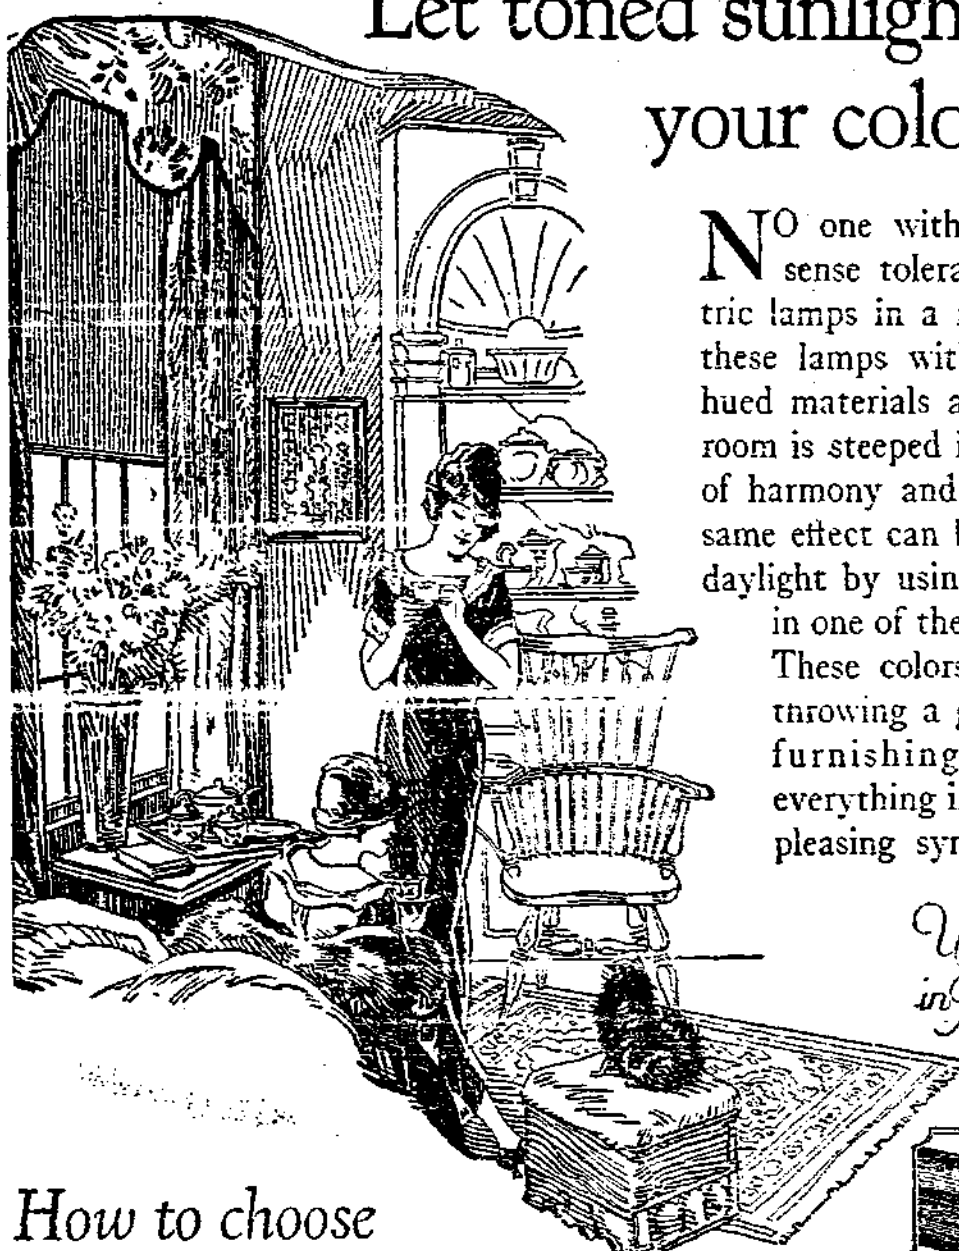

Mrs. T. C. Dillon was hostess at the regular meeting of the Friendship

Let toned sunlight mellow your color scheme

NO one with any decorative sense tolerates glaring electric lamps in a room. You cover these lamps with exquisite soft-hued materials and instantly the room is steeped in an atmosphere of harmony and restfulness. The same effect can be produced with daylight by using window shades in one of the new tone-colors. These colors tone the light, throwing a glamour over the furnishings and weaving everything in the room into a pleasing symphony of color.

Used Everywhere in Beautiful Homes

How to choose color in window shades

WHEN you choose window shades do not hesitate to use color if you want it. You need not be satisfied with ordinary green or white shades, if you want to diffuse the light, as we have delicately tinted shades that will do this.

We carry a wide variety of these tone-colors in

Columbia WINDOW SHADES and ROLLERS

Ask to see them the next time you come in. We will help you select the colors best suited to your furnishings.

Good Stationery and Lots of It

If the nation's supply of good stationery were limited and obtainable only by the few, there would be some excuse for the kinds of note-paper on which some of us write to some of us. But this isn't the case. In the big assortment always on hand at this address there's good stationery enough for all of us.

Fountain pens, too. All leading makes. Especially Parker Pens—the famous Duofold, Over-size, Duofold Jr. and Lady Duofold; all styles, all points, all sizes. Step in and look them over.

Free-Inspection Service: If the pen you've been carrying is out of commission, bring it in. We'll examine it without charge. If it is fixable, we know how to fix it. Charges moderate.

HOW TO BE HAPPY

As I am a child I think this subject applies to boys and girls, and if that is the case there are so many ways of being happy that I am afraid I cannot think of all of them.

Some one has said that to be happy one must be good. Being good means to be helpful, to be of use to everyone no matter how small the help may be, it always makes one happy when they have done a kind act. If we are good our conscience will not hurt us. That is what it is for. When we do a wrong thing it will not let us rest so we are unhappy. When we want to do anything we should think whether it is right or wrong because when we do a wrong act, our conscience is always telling us and we cannot be happy. To be happy, be helpful to everyone, and not do things till we are sure it is right to do them—Virginia Hunter.
